

# Circus Puppet Station

Create this interactive puppet station for your Family Fun Night with NED event. Kids will enjoy reenacting parts of NED's adventure and making up some of their own.

Kit contains 5 puppets plus stage instructions and decorations.

## THE COMPLETED STATION WILL INCLUDE:

- Circus puppet stage
- 5 Puppets
- Print outs of “NED’s Puppet Production” resource for children to take home.
- Crayons or markers

fig. A

## What you'll need:

- Student, tri-fold presentation board (48" x 36")  
We recommend white. Approximate cost-\$8
- Color printer
- Cutting knife and scissors
- Laminator (optional)
- 8-1/2 x 11" paper - white and bright colors  
(*card stock is recommended*)
- Glue or tape
- Craft sticks or popsicle sticks for flags
- 5 dowels or paint sticks for the puppet handles
- 3-5 packs of crayons, colored pencils or markers

Have fun!

# INSTRUCTIONS

## Printing...

- Print color copies of pages 3-11 on white card stock. (puppets)
- Print pages 12 & 13 on yellow card stock. (N-E-D flags)
- Print page 14-16 on red card stock. (front stripes & circus sign)
- Print 2 copies of page 17 on either white or colored paper. (instructions for side panels)
- Print several copies of pages 18-21. This is the resource that the kids can begin coloring at the event and take home to cut out and assemble.

## Cut and paste...

- For two sided puppets, cut puppets on dotted line, laminate (optional), glue or tape stick handle to one side of puppet, then tape or glue the back side of the puppet.
- Cut out NED flags, stripes and CIRCUS sign
- Tape craft sticks to the back of the NED flags
- Cut the student presentation board (stage) using fig. B as a guide.
- Attach the CIRCUS sign, stripes and flags instructions to the stage

fig. B Cut out guide for stage - Student tri-fold presentation board (48" x 36")

✂ Cut out

 Cut out

Cut out images and paste  
back-to-back with a paint  
stir stick in between.

Or use one image and  
paste a paint stir stick  
behind for a one-sided  
puppet.

Line up dotted line to edge of page 5. glue or  
tape together on the back

Overlap  
place this strip behind page 5

# Puppet Station

*Hi Kids!*

*Act out scenes from  
NED's adventure  
or make up a new one!*

# Put on your own NED Show Production!

*Share The NED Show® at home by recreating the story for your family with these puppets and backdrops!*

*Do you remember all the places NED went and all the things he did during the assembly?*

*Can you think of another adventure for NED?*

## What you'll need:

- 8-1/2 x 11" paper (card stock is recommended)
- Crayons, markers or colored pencils
- Glue or tape
- Craft sticks or popsicle sticks

## Directions:

- Color and cut out the puppets.
- Attach a craft stick to the back of each puppet with tape or glue.
- Color the scenes and create a scene of your own.
- Fold on the dotted line.
- Gather family and friends and...

*have fun!*
