# THE NED SHOW™

a motivational ASSEMBLY coming to our school...

## Dear Teachers & Staff,

The NED Show visits 2 million students every year across Canada, the United States, the UK, Australia and New Zealand. We have performed at the White House eleven times and will visit 5,000 schools this year - *including your school!*

This 45-minute character education assembly promotes positive attitudes and encourages students and staff to do their best every day.

Online resources give you the opportunity to build on the excitement created and make a long lasting impact with your students.

**Pay-it-FORWARD**

The NED assembly and all of these resources come to your school at no cost, because a school before yours participated in the Pay-It-Forward sale.

Your school's effort at selling NED messaged items, like yo-tops, makes it possible for our program to visit the next school.

**Friendship Recipes** After watching the "Friendship Soup" video, create the recipes for three of your friendships. Choose three different types of friends (for example, a peer, family member, pet, runaway friend, much older or younger friend, someone who you would like to know better). Write their names on the cards below. Are their ingredients? Are your recipes quite different? What gives each friendship its flavor?
